

WE ARE FAMILY

To All Members of TVSINGLES CLUB

Yesterday March 15 started out as a cloudy and blustery 53 degrees. As our members gathered at the Laurel Manor Picnic area, shivering in the chilly air, we lamented about this swift change to the beauty of our warm and sunny days we had experienced in the last few weeks. But come out they did.

And lo and behold, the  sun came out, the sky cleared out the thick clouds and the  music began to play!

We danced  we ate pizza  and shared our friendships.

For this we want to thank our volunteers and leadership! especially our VP Art Schaeffer who worked so hard to prepare for this event. 

            and today March 16 is Art's Birthday

Happy Birthday Art !!

Our Member Judy Andrews has reminded me that she is still collecting the tabs from soda pop cans. We will have a container for those of you who enjoy the soda we provide to place the tabs in. She then turns them in at Villages Elementary school on Rolling Acres Where they earn money for the school for extra events, Thank you Judy for all your good work.
